## Profile

Hi, I'm Vlad, a 17 year old front-end developer. I am looking for a position in a product company. I appreciate clean code, a cool team, and clear processes. I will be glad to talk and work together!

## Education

**2025 – Present – Kyiv Polytechnic Institute**

Department of Computer Science and Software Engineering (IPI), FIOT

## Employment

**2023 – 2025 – DBA Agency**

I integrated APIs and developed mid-level landing pages using Svelte.js and Vue.js. Throughout the process, I constantly learned new things and quickly found solutions to problems. I worked in a team with experienced colleagues.

**2022 – 2023 – Freelance (Self employed)**

I developed simple landing pages, refactored existing code to improve its structure and performance.
